Dear Mr Garrison

44 I enclose this note from Mr. Purchell of the B, & Wor. R. Road.

I am somewhat at a loss what to say in reply, and indeed shall make no final reply until we have had a Board Meeting, which I have asked Wallace to call for next Tuesday morning. - Whether the Grove proprietors will undertake to charge all comers, children included, the entrance-fee, I cannot say, but am writing to Mr. Purchell to ascertain. I fear that such a fee would diminish somewhat our audience.

I am better to-day, after a pretty sharp colic attack yesterday, but as weak & lightheaded as possible.

P.S. Please preserve this for me.

Truly Yrs.

Worcester, June 3/58. S. May Jr

P.S. I shall have the Money Lists of N. E. Convention for next week's paper; - will bring them on Monday.
